CONDITIONS OF USE

- The covering is reserved for the mare : Number of SIRE : Date of birth:
Sir:..... Dam:..... Studbook :..... Coat

- The Haras du Feuillard declines any responsibility in relation with any sending of semen by a transportation company.
- The expenses of insemination, the expenses of livery, gynecological follow-up, possible analyses, transporting of doses are at the expense of the buyer.
- **Order from Monday to Friday before 10:00 am.** No order and no delivery on the weekend and holidays. Expedition of the frozen semence from Monday till Wednesday.
- The buyer will have to, if necessary, send by **mail or letter with recorded delivery** to the salesman before **October 1st** a veterinary certificate stipulating that his mare is empty or aborted, to obtain its transfer in the following season.
- The mare will have to be up to date of its vaccination against the flu and will be microchipped. We recommend a maddeworming and the vaccination against the tetanus and the rhinopneumonitis.
- There are inherent risks to the guarding, to the concentration of mares, to the rectal gynecological examinations (with a mortality for a rectal tear of 2.2 for 100.000 examinations according to the HN), during the foaling, during the projections, during the inseminations, during the passages in the helm, during the stake in the meadow... Mares can lose weight during the phase of food adaptation or during scorching hot season. There are risks of contagion, accident during contacts with the other animals. Besides, the cooled and frozen semence reduce the fertility.

INFORMED CONSENT OF THE OWNER

The owner (or his representative) affirm having been informed in clear terms and having perfectly included the present agreement. He accepts the risks in the stake in reproduction as well as the limits of responsibilities of the Haras du Feuillard. He recognizes that no guarantee was given to him as for the expected result. He makes a commitment to settle expenses engaged with the Haras du Feuillard on presentation or in reception of invoice. For any invoice not paid when due, a 1.5 % rise per month will be perceived. An intervention of our legal department entails a rise minimum of 20 %. Every reminder entails an increase of € 10.00 in mail and € 20.00 by registered mail.
